Year	2021																			2022								
Month	Aug		Sep				Oct				Nov					Dec				Jan					Feb			
Start date week Monday	23	30	6	13	20	27	4	11	18	25	1	8	15	22	29	6	13	20	27	3	10	17	24	31	7	14	21	28
PROPOSAL	■	■	■	■	■	■																						
Background reading	■	■																										
Introduction to neural networks		■	■	■																								
Inspecting the dataset			■	■																								
Writing draft proposal			■	■																								
Processing feedback draft proposal				■	■																							
Preparing proposal presentation						■																						
RESEARCH				■	■	■	■	■		■	■	■	■	■	■	■	■	■		■	■	■	■	■				
Inspecting datasets				■	■	■																						
Data preprocessing					■	■	■																					
Picking and preparing neural network						■	■				■																	
Training neural network											■	■	■															
Testing and validating neural network											■	■	■															
Transfering neural network to target														■	■	■	■											
Testing transfered network																■	■											
Comparing to state-of-the-art																		■										
Constructing interpolation network																				■	■	■	■					
Interpolating using network																						■	■					
Comparing interpolations																								■				
REPORT											■	■	■	■	■	■	■	■		■	■	■	■	■	■	■	■	■
Writing: Introduction											■	■																
Writing: Methods												■	■	■														
Writing: Results													■	■	■	■				■	■							
Writing: Discussion & Conclusion																				■	■	■	■					
Finalize Draft report																						■	■					
Process feedback draft report																									■	■		
Preparing presentation																										■	■	
MILESTONES																												
Start date: 23 Aug	■																											
Proposal hand-in: 30 Sep					■																							
Proposal presentation: 1 Oct					■																							
Hand-in draft report: No date yet																								■				
Hand-in final report: No date yet																										■		
Presentation: No date yet																												■
End date: 4 maart																												■

Holiday (week of 18 Oct) · *Christmas break* (week of 27 Dec)
